**Aayush Acharya**

has successfully completed the online Professional Certificate

# Microsoft Cloud Support Associate

Now that you have completed the Microsoft Cloud Support Associate Professional Certificate, you stand out with a unique set of skills and knowledge in the dynamic field of information technology and cloud computing. This certificate demonstrates your job readiness and can be shared with your professional network. Throughout this program, you've engaged with instructional videos, assessments, and practical exercises, gaining a deep understanding of key aspects, including:

- Proficiency in system analysis and Azure solutions.
- Skills in Microsoft 365 configuration.
- Establishment of robust Azure security protocols.
- Expertise in diagnostics, troubleshooting, and resource management.
- Knowledge in compliance, governance, and cloud support.
